

STUD-A-THON SPONSOR A STUD

Join us to make a difference in the lives of our partner families by sponsoring a stud and creating a message of hope, encouragement, or inspiration. Habitat homes take over 300 studs, so every donation counts!

Help us get to our goal of \$40,000!

How You Can Help

As an individual or a team, sponsor a stud (2x4 piece of wood) and decorate it with a message of hope or encouragement. These studs will be used in our next home build.
